french and hinged doors

Stateman enhanced living

STATESMAN
WINDOWS

A part of Stateman's **Essentials** range
of windows and doors

Manufacturers of quality aluminium & western red cedar windows, french, hinged, sliding, stacker & bifold doors, invis-guard & security screens, pivot & sliding shower screens, mirrors, glassblocks, lockfast balustrade, semi commercial, fixed windows.

French or hinged doors are a great option if interior wall space is limited. Stateman's offer a wide range of inspired design options for the ever popular French door suite. Whether you select traditional colonial bars or clear panels, the French door is an elegant and practical way to open up your living area and allow wide access to a courtyard, garden or patio.

Adding to the versatility of this product is the ability to combine louvre, double hung or fixed light windows as decorative sidelites, further enhancing the design features.

Hinged doors make a stylish replacement for traditional wooden doors. Combined with an aluminium entry door frame, various glass designs and sidelites or highlites, hinged doors can become a unique feature in your home.

note

Products may be subject to local variation or climate requirements

options

- Available with sidelites or highlites
- Energy efficient / High performance system options
- Compatible with other Stateman's products

upgrade to our energy efficient and high performance systems

Solar Block™ is ideally suited to locations where keeping out heat, glare and damaging UV rays are a priority. Just like having sunglasses on your home.

Solar Comfort™ is the perfect choice for keeping comfortable temperatures all year round, despite the outside extremes. Spend less on heating and cooling your home and help the environment.

Sound Smart™ is a system that reduces external noise. By simply installing the right window and door system, you can 'turn down' the sound to far more comfortable levels.

australian owned and made

Stateman's products are proudly made by Australians in Australia and designed specifically to meet all Australian conditions.
