

# Signature

# bi-fold doors

Statesman enhanced living

**STATESMAN**  
**WINDOWS**

A part of Statesman's **Signature** range  
of windows and doors

Manufacturers of quality aluminium & western red cedar windows, french, hinged, sliding, stacker & bifold doors, stainless view & security screens, pivot & sliding shower screens, mirrors, glassblocks, lockfast balustrade, semi commercial, fixed windows.

The **bi-fold door** creates a moving glass wall that opens the interior of the home to the outside, providing unobstructed views, natural light and ventilation. The bi-fold door is ideal for entertaining areas.

A choice of left or right opening directions allows the selection of a layout to suit your home, and a single entry door can be added for quick access and day-to-day use.

As an alternative the bi-fold door can be used internally as well as externally in your home.

The outboard track system allows easy cleaning and the low force sliding system provides maximum performance.

The patented torsional blocking ensures the bi-fold system retains its shape, without sagging or jamming.

select windows with a  
high performance option
