

Signature

bi-fold windows

Statesman enhanced living

STATESMAN
WINDOWS

A part of Statesman's **Signature** range
of windows and doors

Manufacturers of quality aluminium & western red cedar windows, french, hinged, sliding, stacker & bifold doors, stainless view & security screens, pivot & sliding shower screens, mirrors, glassblocks, lockfast balustrade, semi commercial, fixed windows.

The **bi-fold window** creates a moving glass wall that opens the interior of the home to the outside, providing unobstructed views, natural light and ventilation. It can also be used internally as a kitchen servery, wardrobe or room divider.

A choice of left or right opening directions allows the selection of a layout to suit your home.

The outboard track system allows easy cleaning and the low force sliding system provides maximum performance.

The patented torsional blocking ensures the bi-fold system retains its shape, without sagging or jamming.

select windows with a
high performance option
